THAI YOUNG COCONUT

Whipped Thai Young Coconut Puree is full of copper, and phosphorus. Promotes the absorption of calcium and magnesium, rich in B and C vitamins. Bonus for weight loss: our Whipped Young Thai Coconut reduces appetite. Whipped puree of Thai young coconut normalizes digestion and metabolism and acts as a light natural diuretic. Whipped puree of Thai young coconut in appearance and consistency is reminiscent of milk panna cotta. It has a mild nutty flavor, slightly sweet. It is also an indispensable ingredient for smoothies.
